## Current Studio Projects

2018 *Wearable Sculpture* (Exhibit TBA)  
Study in aesthetic presentation preferences as well as translating kinetic designs to fit the body of many types of people and how my designs respond to their individual kinetic aspects

*The Anonymity that is NOT* (Scheduled to open at Art-Nashville 2018)  
An abstract, kinetic sculpture body of work.  
Repurposed chairs of all design types are used to represent the physical, emotional, mental, spiritual and personality condition of people in "recovery".

*Tales of a Telephone Technician* (Creative Non-Fiction. Publishing in 2018)  
All true short stories of experiences as a thirty-year plus telecommunications technician.
