Current Studio Projects

2020

Collaboration

New York Fashion Week SS2020 (Collaboration with Fashion Designer, Alicia Ybarra)
The collection/ body of work, from the (previous Wichita KS. Debut) Fashion Avant event has been invited to debut at NYFW SS2020, February 2020.
Produced by hiTechMODA Productions.

Group Show

Wearable Sculpture Project (project debut as guest artist) FASHION AVANT Runway Show.
Twenty-one sculpture objects.
Study in aesthetic presentation preferences as well as translating kinetic designs to fit the body of many types of people and how my designs respond to their individual kinetic aspects.
Wichita, KS. September 2019)

2018

The Anonymity that is NOT (Debuted for one night in Wichita, KS. Aug-2018)
An abstract, kinetic sculpture body of work.
Repurposed chairs of all design types are used to represent the physical, emotional, mental, spiritual and personality condition of people in "recovery."

I've Got A Pole You Can Climb-Tales of a Telephone Technician (the Book)
Creative Non-Fiction. Published in 2018.
All true short stories of experiences as a thirty-year plus telecommunications technician.
